Where we are now

- A CG report specifies

  - the extended syntax, and

  - the modification to the JSON-LD algorithms.

- It is implemented in Gregg's Ruby implementation of JSON-LD

  - (test it in the distiller)

- A number of issues/improvements are still under discussion: https://github.com/json-ld/json-ld-star/issues

State of JSON-LD post-REC (16:15-17:00)
